

# natural wet<sup>TM</sup>®

## Guaranteed Analysis

<b>Saponin</b> <i>(Derived from Yucca schidigera)</i>	10%
<b>Inert Ingredients</b>	90%

## Product Information

### About Natural Wet<sup>®</sup>

**Natural Wet<sup>®</sup>** contains saponins derived from Yucca plants which are used by the Yucca plant to alleviate the stress suffered under unfavourable cold or hot conditions. **Natural Wet<sup>®</sup>** can also facilitate nutrient and water absorption into grasses and stimulate growth and development.

**Natural Wet<sup>®</sup>** can be used to increase droplet dispersal on leaf surfaces and make agricultural products become more effective through enhanced coverage.

**Natural Wet<sup>®</sup>** can be used in hot and cold climate conditions to help the plants to withstand extreme fluctuation of temperature between day and night.

**Natural Wet<sup>®</sup>** can be used as an anti-stress agent.
